

This is the report format every client receives. To protect client privacy, the links below were built for my own website, so every URL can be opened and checked. Client reports list the same details for their own site: the live URL, link type, target page and anchor text. Outreach placements are included in client reports but kept private here.

56 Live links in this sample	13 Web 2.0 blog posts	43 Foundation / profile links	Sep 2026 Report date
